

# VU HOANG ENVIRONMENT AND CHEMICAL TECHNOLOGY CO., LTD

## VU HOANG CHEMICAL & ENVIRONMENT

### VU HOANG Northern Region

**Address:** Lot H1-2, Dai Dong - Hoan Son Industrial Zone, Dai Dong Commune, Bac Ninh Province

**Office:** 7th Floor, Cotana Building, Lot CC5A, Linh Dam Peninsula, Hoang Liet Ward, Hanoi City

**Hotline:** 0857 829 999

**Website:** [vuhoang.com/](http://vuhoang.com/) [vuhoangco.com.vn](http://vuhoangco.com.vn)

### VU HOANG Central Region

**Office:** 3rd Floor, H3-B1 Savico Building, No. 66 Vo Van Tan Street, Thanh Khe Ward, Da Nang City

**Hotline:** 0935 935 516 / 0947 296 116

**Website:** [vuhoang.com/](http://vuhoang.com/) [vuhoangco.com.vn](http://vuhoangco.com.vn)

### VU HOANG Southern Region

**Address:** Lot 109, Linh Trung III Export Processing & Industrial Zone, An Tinh Ward, Tay Ninh Province

**Office:** No. 980 Kha Van Can Street, Thu Duc Ward, Ho Chi Minh City

**Hotline:** 0901 866 860

**Website:** [vuhoang.com/](http://vuhoang.com/) [vuhoangchem.com](http://vuhoangchem.com)

## COMPANY INTRODUCTION

Vu Hoang Chemical and Environmental Company was established in 2001 and has become a prestigious brand in Vietnam in the fields of Chemicals and the **Design – Construction – Operation of Water Treatment and Environmental Projects**.

Our motto: **“Intelligence is the Core, Safety is the Priority, People are the Focus”** has been the key to our success throughout the company’s formation and development.

**Vu Hoang** is proud to be a professional manufacturer, distributor, and trader of chemicals, including:

- Industrial chemicals
- Nalco water treatment, anti-scaling & corrosion chemicals
- Ecolab cleaning chemicals
- Wastewater and water treatment chemicals

In addition, we provide specialized environmental services, including:

- Environmental legal consulting
- Design and construction of wastewater, water supply, and exhaust gas treatment plants
- Outsourced operation services for wastewater, water supply, and exhaust gas treatment systems

Northern Factory		Southern Factory	
	Establish 2001		600 Employees
	3 Manufacturing Plants		3 Office
	~100 Specialized Vehicle		>500 Product Codes
	Network 34 Provinces		>2000 Customers

## VU HOANG COMPANY CHEMICALS AND ENVIRONMENT

## VUHOANG PHILOSOPHY

“ OUR SERVICES, YOUR BELIEF ”

Fields of Operation	<p><b>ENVIRONMENTAL PROJECT</b></p> <ul style="list-style-type: none"> <li>✓ Design and technology transfer of wastewater, water supply, and exhaust gas treatment systems for factories, industrial zones, and urban areas.</li> <li>✓ Construction and installation of wastewater, water supply, and exhaust gas treatment facilities for factories, industrial zones, and urban areas.</li> <li>✓ Free support for site assessment and condition evaluation, as well as technology design. Assistance with environmental legal procedures and consulting.</li> </ul>	<p><b>OUTSOURCED OPERATION SERVICES</b></p> <p>Outsourced operation of wastewater, water supply, and exhaust gas treatment systems for factories, industrial zones, and urban areas, including the following services:</p> <ul style="list-style-type: none"> <li>✓ Supply of operational chemicals</li> <li>✓ System maintenance and servicing</li> <li>✓ Assistance with environmental legal procedures and consulting</li> <li>✓ Provision of operational personnel</li> <li>✓ Commitment and responsibility for the quality of treated water</li> </ul>	<p><b>ENVIRONMENTAL TREATMENT</b></p> <ul style="list-style-type: none"> <li>✓ Collection, transportation, and treatment of various waste acids</li> <li>✓ Legal consulting to support businesses on hazardous waste management, waste source registers,...</li> <li>✓ Consulting on preparing environmental impact assessment reports, environmental protection completion reports, and trial operation reports</li> </ul>	<p><b>MDF - PLYWOOD INDUSTRY CHEMICALS</b></p> <ul style="list-style-type: none"> <li>✓ Melamine Chemicals – Melamine Adhesive</li> <li>✓ Formalin Neutralizing Chemicals</li> <li>✓ Formaline 37–40% (Formol HCHO)</li> <li>✓ Urea Fertilizer</li> <li>✓ Industrial Methanol</li> <li>✓ PVA- Poly Vinyl Alcohol.</li> <li>✓ Specialized Wheat Flour</li> <li>✓ TiO2 (Titanium dioxide).</li> <li>✓ Buffalo Hide Glue – Industrial Gelatin</li> </ul>
	<p><b>INDUSTRIAL CHEMICALS</b></p> <ul style="list-style-type: none"> <li>✓ Food Chemicals</li> <li>✓ Textile and Dyeing Chemicals</li> <li>✓ Electronics Chemicals</li> <li>✓ Thermal Power Chemicals</li> <li>✓ Electroplating Chemicals</li> </ul>	<p><b>NALCO ANTI-SCALING &amp; CORROSION CHEMICALS</b></p> <ul style="list-style-type: none"> <li>✓ Boiler Treatment Chemicals</li> <li>✓ Cooling Tower Treatment Chemicals</li> <li>✓ Chiller System Treatment Chemicals</li> <li>✓ Reverse Osmosis (R.O.) System Treatment Chemicals</li> </ul>	<p><b>ECOLAB CLEANING CHEMICALS</b></p> <ul style="list-style-type: none"> <li>✓ Cleaning chemicals for kitchen utensils and equipment</li> <li>✓ Industrial cleaning chemicals</li> <li>✓ Laundry chemicals</li> <li>✓ Cleaning chemicals for hotel housekeeping</li> <li>✓ Cleaning chemicals for quick-service restaurants (QSR)</li> </ul>	<p><b>CERAMICS INDUSTRY CHEMICALS</b></p> <ul style="list-style-type: none"> <li>✓ Zircon, Kaolin, CMC, Feldspar, Wollastonite, Hardening Agents</li> <li>✓ Compound Glazes: Liquid Glaze, Dry Glaze for Ceramics, Compound Glaze for Tiles</li> </ul>

## FACTORY

### Vu Hoang Northern Factory

Address: Lot H1-2, Dai Dong - Hoan Son Industrial Zone, Dai Dong Commune, Bac Ninh Province

### Vu Hoang Southern Factory

Address: Lot 109, Linh Trung III Export Processing & Industrial Zone, An Tinh Ward, Tay Ninh Province

## OFFICE

### VU HOANG Northern Region

7th Floor, Cotana Building, Lot CC5A, Linh Dam Peninsula, Hoang Liet Ward, Hanoi City

### VU HOANG Central Region

3rd Floor, H3-B1 Savico Building, No. 66 Vo Van Tan Street, Thanh Khe Ward, Da Nang City

### VU HOANG Southern Region

No. 980 Kha Van Can Street, Thu Duc Ward, Ho Chi Minh City

## CAPACITY

Production Capacity: 320,000 tons/year  
Sample Analysis Laboratories: 3

## WAREHOUSE

Warehouse Area: 3 ha  
Storage Tanks: 5,000 m<sup>3</sup>

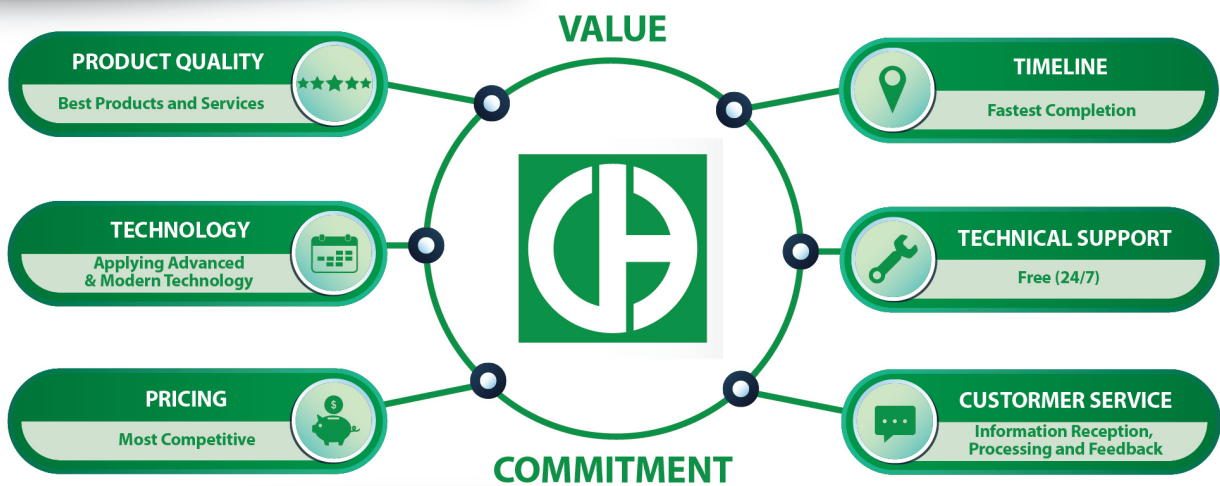

## TRANSPORTATION

Chemical Truck: ~100  
Tank Truck: ~80  
Barrel Truck: ~20

## VALUE & COMMITMENT

## VISION & MISSION

# VISION

Vu Hoang's vision is to become a leading and reputable company, continuously enhancing manufacturing capability through machinery investment and expanding research activities to provide next-generation products that meet market demands and target export markets.

# MISSION

Vu Hoang's mission focuses on becoming a reliable commercial partner, providing top-quality products and technical solutions in the chemical and environmental sectors.

# ENVIRONMENTAL PROJECTS

## DESIGN, CONSTRUCTION AND INSTALLATION

### INDUSTRIAL AND MANUFACTURING WASTEWATER

#### NAM SƠN HẠP LĨNH INDUSTRIAL ZONE

18.000 m<sup>3</sup>/ day & night  
 Phase 1: 6.000 m<sup>3</sup>/ day & night  
 Phase 2: 8.000 m<sup>3</sup>/ day & night

#### QUẾ VÕ INDUSTRIAL ZONE EXPANSION

6.000 m<sup>3</sup>/day & night

#### GNP YÊN BÌNH II INDUSTRIAL CENTER

1.100 m<sup>3</sup>/day & night

#### BE BRIGHT ELECTROPLATING, PAINT DYEING AND GLASS GRINDING FACTORY

1.500 m<sup>3</sup>/day & night

#### GOERTEK VINA ELECTRONICS COMPONENTS FACTORY

2.200 m<sup>3</sup>/day & night  
 1.400 m<sup>3</sup>/day & night

#### GLOBAL DYEING TEXTILE FACTORY

7.000 m<sup>3</sup>/day & night

#### YAJKIN INTERTEXT TEXTILE DYEING FACTORY

2.900 m<sup>3</sup>/day & night

#### KYUNG BANG TEXTILE DYEING FACTORY

8.000 m<sup>3</sup>/day & night

#### SAMIL VINA TEXTILE DYEING FACTORY

3.500 m<sup>3</sup>/day & night

#### VINFAST AUTOMATION MANUFACTURING COMPLEX

3.200 m<sup>3</sup>/day & night  
 2.300 m<sup>3</sup>/day & night

#### GNP ĐỒNG VĂN III INDUSTRIAL CENTER

400 m<sup>3</sup>/day & night

#### DOOSAN ELECTRO - MATERIALS VIET NAM ELECTROPLATING FACTORY

600 m<sup>3</sup>/20 hours

#### H&C TECH ELECTROPLATING FACTORY

300 m<sup>3</sup>/day & night

#### JUNGWOO VINA TEXTILE DYEING FACTORY

4.000 m<sup>3</sup>/day & night

#### TAI RYONG TEXTILE DYEING FACTORY

2.500 m<sup>3</sup>/day & night

#### ELOVI DAIRY FACTORY

500 m<sup>3</sup>/day & night

#### NUTICARE DAIRY FACTORY

300 m<sup>3</sup>/day & night

#### ĐẠI AN INDUSTRIAL ZONE

2.000 m<sup>3</sup>/day & night

### URBAN AND TOURISM AREA WASTEWATER

#### ECOPARK VĂN GIANG URBAN AREA

14.200 m<sup>3</sup>/day & night  
 3.500 m<sup>3</sup>/day & night

#### VINPEARL PHÚ QUỐC TOURISM COMPLEX

2.000m<sup>3</sup>/day & night  
 7.700 m<sup>3</sup>/day & night

### WATER TREATMENT RO/DI/UF SYSTEMS

#### DOOSAN FACTORY

Wastewater Treatment: 600 m<sup>3</sup>/20 hours  
 RO/DI: 10 m<sup>3</sup>/hour

#### ELOVI DAIRY FACTORY

UF: 40m<sup>3</sup>/hour

#### ELOVI DAIRY FACTORY

Waster Supply Nitrate Treatment: 40m<sup>3</sup>/hour

#### NUTICARE DAIRY FACTORY

25m<sup>3</sup>/hour

## OUTSOURCED OPERATION OF WASTEWATER TREATMENT SYSTEMS

**15** WASTEWATER TREATMENT SYSTEMS FOR TEXTILE DYEING FACTORY

**15** WASTEWATER TREATMENT SYSTEMS FOR ELECTROPLATING FACTORY

**04** WASTEWATER TREATMENT SYSTEMS FOR INDUSTRIAL CENTERS
